If an act of discrimination occurs before the relevant implementation date, an individual will not be able to bring a claim under the new Ordinance. Claims cannot be brought after the implementation date for acts or omissions that occurred prior to the implementation date.

Those duties which are due to come into force after 1 October 2023 will require a commencement regulation to be made by the Committee for Employment & Social Security and shall not have effect unless and until approved by a resolution of the States.

It should also be noted that the intention is that different Protected Grounds will be introduced over the next few years, including age, and that the existing Sex Discrimination Ordinance will be replaced, with sex, pregnancy, marital status and gender reassignment being added as Protected Grounds under the

Ordinance.
